

# ENLACE 2023

Summer Research Experience

UC San Diego

## Designing new technologies, discovering the future, establishing life-long friendships

The ENLACE summer research program at UC San Diego aims to encourage the participation of students in the sciences and engineering, while promoting cross-border friendships.

The program is an opportunity to explore a variety of interests through work on varied projects, while challenging the person to always consider science in the context of societal needs.

**ENGINEERING SCIENCES** | **BIOLOGICAL SCIENCES** | **PHYSICAL SCIENCES** | **HEALTH SCIENCES**

Cost of program: \$5,000 . . . Generous scholarships available to students with financial need. Requests for scholarships are made when applying to program.

Ever since first grade, the other girls wanted to be a ballerina or a power ranger, and I wanted to be an anthropologist and people would say 'what's wrong with you?' And that kept evolving, and now I want to be an engineer. I love it."

-2013 participant

**Virtual Informational Sessions:**

- Wednesday, November 9, 2022**  
5:00-6:00 PM (Pacific time)
- Monday, November 21, 2022**  
6:00-7:00 PM (Pacific time)
- Tuesday, December 7, 2022**  
5:00-6:00 PM (Pacific time)
- Friday, January 6, 2023**  
4:00-5:00 PM (Pacific time)
- Tuesday, January 17, 2023**  
5:00-6:00 PM (Pacific time)

**Zoom Connection**  
Meeting ID: 959 6559 9623  
Password: 085475
